Kids may bring personal items such as extra clothes, phones, ipads, money, etc, HOWEVER, Madison County Parks and Recreation staff are not responsible for keeping up with or lost items.

All trips leave the Madison County Administrative Offices at the scheduled time. Arrival times are estimated and may vary. The Madison County Parks and Recreation staff will try to keep everyone informed if that arrival time will need amended.

Some events will require a liability waiver signed by the adult/guardian. These waivers will be available on our website as well as the location of the event.
